

A new experiment

Eternal Spring is a collection of paintings by artist Milind Nayak. A veteran artist and a self-taught painter, Nayak is known for his expressive artwork covering a cross-section of media including oil, watercolours, pastels and graphite. For this collection, the painter has attempted to go where he's not gone before. He's used wood as a substrate, and paint with oils and acrylics.

 **WHERE:** Sublime Galleria, UB City
