

Nature and music

Bengaluru

SEPTEMBER 27

Satish Bhaisare presents his latest collection of works 'Salience of Silence' –which are abstracts pulsating with energy and rhythm. Nature meets classical music in his paintings. His art has evolved with the experiences and observations he made wandering in fields of serenity during his farming days. A part of the sales will go to Ananda Sagara, a home for children of migrant workers. It is on till October 10 at Sublime Galleria, UB City.
