

## Art show

**T**he art show – *3 Rivers Meet* – brings together three artists who have a distinctive visual language and nurture abstract visions. A journey brought to life by Akhilesh, Yogendra Tripathi and Sachin Deo, it is a getaway from the humdrum of the urban chaos into silence and solitude that is conveyed through colours on canvas. The exhibition will display a mix of ideas and thoughts, with Akhilesh capturing patterns that are reminiscent of the ancient cave paintings of Bimbetka, while Yogendra Tripathi's work depicts layering of pigments and overlapping and Sachin Deo explores layers in his canvas to create a rich textural context.
