About the Artist

Alefiyah Raja

If one could describe mellifluous visually, it would look like Alefiyah Raja's art. Alefiyah describes each of her painting as associated with a plethora of memories with one dominant emotion. One of India's best known resin artist, every frame rendered by Alefiyah is a masterpiece, a scintillating miracle.

Lyrically fluid and reverberating with a melange of colours juxtaposed together, Alefiyah's resin paintings are the purest form of abstraction. The shimmering luminosity of her paintings lend a certain transcendental aura to them. Just as a melody revel itself slowly before reaching a crescendo, Alefiyah's paintings too slowly unravel themselves where one is bound to make a new discovery each time they see the work.

Alefiyah Raja's stunning masterpiece can be described as elegance meets sublime and marries therapeutic...

Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. "The idea was to bring different kinds of world tea to an Indian consumer's tea cup", says Uzma. "Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy."
