## About the Artist – KAYALVIZHI SETHUKARASU

Kayalvizhi Sethukarasu is an Established Indian contemporary and abstract artist. When the world looked to the west to enrich their lives, I travel to my roots to understand the cultural inheritance for generations in each village life in INDIA and depict them through my works. My collections are catalogued with the life at peace, purity and serenity of villages engulfed in the exotic greenery. The realness of every village and its originality is depicted with every minute detailing in my art. In the entire journey of my art today I am mesmerized by the beauty of the village lake placid, the hush silence at the arena where everyone relaxes at, to cherish the natural stagnant waters slushed with green floras decorated by a countable vibrant lotus buds waiting to bloom to illuminate the garnished greenery.

As an artist my above prefix summarizes my soul and my earnest desire is to preserve the authentic culture of dying traditions and portray them with soothing, refreshing and every corresponding color adding luminous to reality only to prove them the eternal vessel with an immeasurable treasure for eternity. The reach has gone transnational to reminisce the history along with generations through my artistic depiction which is rewarding and received many acclamations for its artistic imitation.

My Abstract Landscape, that connects the lushness of nature and gives serenity, has been part of International and National exhibitions and found homes in many prominent Private and personal collectors.

# Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. "The idea was to bring different kinds of world tea to an Indian consumer's tea cup", says Uzma. "Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy."
