About the Artist – Kalyan Chakraborty

Kalyan Chakraborty, fondly referred by peers and friends as 'KC' is a nomad at heart.. His roots belong in Assam - a state of untamed beauty and wilderness. Culturally rich and abundantly blessed in Nature's wonders, KC spent the best part of his formative years in the jungles of Assam. His roots dwell deep in the Bodo Kachari Tribe from Assam and he carries this legacy with great pride and honour. His love for all wild things took wings through travel and

photography. Bangalore has been home to KC for over two decades now. He has some amazing stories to narrate from his days of running an eco friendly homestay deep in the hills of Masinagudi. A media professional, KC is multi talented and multi faceted. A thrill seeker and an adventurer, he lives by a simple motto ' Live with no regrets and make every moment memorable '.

While wildlife and photography were his first love, he is also an avid bike and car racer. His need for speed is only matched by the passion of exploring the raw, wild world around him. His love for the jungle has taken him on roads less travelled, thus bringing to each picture, a story untold. An avid traveller, KC spends a lot of time on road, exploring the rich wildlife of India & abroad. While he has a demanding professional career, KC has always found time for all of his passions from photography and racing to martial arts, fitness and his personal lifestyle label "KC-Ovion". Having recognised nationally and internationally for his images, KC is known for the dynamic and fresh perspective he brings to a picture.

He is also a Certified HAM professional. KC is part of Civilian Rescue & Disaster Management team recognised for his relief work during the Pandemic and natural disasters. An advocate for sustainable living , KC is an activist and conservationist who works with multiple organisations, in an effort to mitigate human-wildlife conflict and work towards preservation of our natural world.

This exhibition showcases KC's work on field and pays a tribute to all the front-line staff who work tirelessly in keeping our wild and wild friends safe and secure.

Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. “The idea was to bring different kinds of world tea to an Indian consumer's tea cup”, says Uzma. “Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy.”
