# About the Artist – Manju Latha

Manju Lata is an artist born in Jaunpur (Uttar Pradesh), India (1967), currently living in Bengaluru, Karnataka. She is an autodidact and has learnt digital painting all by herself. She started working as an artist in Lucknow, India for various art websites. She majorly works on the lines of Abstract Expressionism art movement. Mother of 2, her art depicts the visuals of the world which she sees from her eyes as a mother. Camouflaged with events and phenomena of nature, the origin, the decay and the several environmental ripples around us, her art tickles the human curiosity, with subtlety.

## Concept:

### Synesthesia

If have ever wondered what sounds look like, or colors sound like, you are not alone. Most of us can only wonder, but Synesthesia is a special power that, when reflected through art, can create magical art pieces.

When what you see coincides with what you hear or what you smell, you experience synesthesia. The simultaneous perception of two or more stimuli as one gestalt experience. Artists have used their ability to create spectacular art by visualizing how they perceive sound, time, numbers, letters and daily activities.

When you look at these creative art of mine, it is almost like you can hear the sonic sounds of the beautiful art. With the different patterns in the arts, you are able to feel art come to life in many different forms. Look for everything you connect with, in the art, and you might just find your art language hidden in these patterns.

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

## Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. “The idea was to bring different kinds of world tea to an Indian consumer's tea cup”, says Uzma. “Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy.”
