About the Artist – Ria Aboobakar

As an impressionistic painter, I strive to capture the essence of a moment rather than its exact representation. My name is Ria and I have been painting for over a decade now. I am a self-taught Artist, poet, and writer, & an HR professional currently residing in India. I draw inspiration from nature, landscapes, and everyday life. My paintings are characterized by their loose brushstrokes, vibrant colors, and the play of light and shadow.

I work towards that art should evoke emotions and feelings in the viewer. My paintings are not just about what you see but also about what you feel. I want my viewers to be transported to the scene depicted in my paintings and experience it for themselves.

Cause and effect : I realized that my paintings bring a lot of joy. When the cause is so beautiful, the effect it creates is amazing. That's the purpose of art to spread joy. Every single painting has one or the other of 4 elements: air, water, fire, earth. I bring them together and create a dance & symphony of colors.

I believe in breaking the glass ceiling. And I try to do that with my art.

I like being an anomaly. It means away from the normal, and that's how my art is different. It's a combination of a lot of different things, a mix and blend of all art combinations.

My paintings have been described as dreamy, ethereal, realistic, and poetic. I am constantly experimenting with new techniques and styles to push the boundaries of impressionism.

My family has been my strongest motivation factor, my backbone, my cheerleaders, and my support system. Who have pushed me to be the kind of artist I am today.

Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. “The idea was to bring different kinds of world tea to an Indian consumer's tea cup”, says Uzma. “Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy.”
