Artist Statement - About the exhibition

The collection started subconsciously during the COVID time. I used to go on evening walks distancing myself from people but taking a more keen interest in nature. I started filling my photo album with more and more pictures of flowers, and trees around me and connecting them with my feelings, emotions, and experiences of those times.

In the later years, I started traveling and found myself encountering a variety of vibrant flora and fauna. I believe that nature has the power to bring us back to the present moment, slow down, feel connected, and inspire us to savor the beauty around us. It makes us appreciate the fleeting nature of life. Though the flowers are considered delicate or fragile, they also have strength and boldness to them.

These paintings are an exploration of a variety of textures, and bold strokes to convey the memories and experiences in my pieces. I am also excited about the process of creation, the adventure of using art materials, and the happy little accidents that can bring more interest in the artwork. The paintings are to be looked at from far aw

Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. “The idea was to bring different kinds of world tea to an Indian consumer's tea cup”, says Uzma. “Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy.”
