INSPIRING AWE

GALLERIA

Located at the thriving financial tech hub of Hyderabad, Sublime Galleria at Prestige Skytech adds a vibrant artistic dimension to this bustling district.

Our journey commenced in 2009 with Sublime Galleria, UB City, Bangalore, spearheaded by Ms. Uzma Irfan. The gallery set the benchmark of being India's first Sky Galleria.

We are a professionally managed, dynamic meeting ground for artists, art connoisseurs and collectors. We display artworks from across styles, medium, techniques and forms. We have collaborated with noted artists, sculptors and photographers from India and abroad and believe in giving upcoming artists a platform to showcase their talent.

Sublime's definition of Art includes practices such as Theatre, Dance, Music and Spoken Poetry and we work with local artists to bring their art to the public.

Since 2011, Sublime has conducted Art Bengaluru, the city's largest Art Festival which has witnessed nine successful editions and featured a diverse as well as international selection of art and artists.

About the Show – Amalgamation

“AMALGAMATION” is the latest addition to Vijit Pillai’s expansive artistic portfolio.

A collection of artworks created during the pandemic, the artworks signify a period in the Artist’s life where he reflected on the past, observed the stagnation of the present and a growing fear of the future. The fear stemmed from being bound to familiarity, one could easily sink into a state of artistic quagmire. This prompted the artist on a quest to experiment with how one may move beyond it.

A result of this is Pillai’s foray into ‘Art Nouveau’, which he stumbled upon when he was commissioned by a client and a friend. Myth and symbolism are central to this genre of art, based on images drawn from folklore, romance and legend. Notable artists from this period include Gustav Klimt and Aubrey Beasley, to name a few.

Pillai’s introspection and artistic experimentation find form in “AMALGAMATION” - from the poignant portrayal of Shakespeare’s “Ophelia” to vibrant vistas of “Mysore Dara” and the artist’s imaginative re-envisioning of the Mughal court, these pieces cover a vast spectrum of subjects.

The collection is testament to Pillai’s virtuosity— across mediums, diverse subjects, and timelines. It reflects not only his skill but also serves as a reflection of his artistic depth and versatility.

The artist takes you on a captivating journey across the realms of Creativity, History and Emotion.
