INSPIRING AWE

GALLERIA

Located at the thriving financial tech hub of Hyderabad, Sublime Galleria at Prestige Skytech adds a vibrant artistic dimension to this bustling district.

Our journey commenced in 2009 with Sublime Galleria, UB City, Bangalore, spearheaded by Ms. Uzma Irfan. The gallery set the benchmark of being India's first Sky Galleria.

We are a professionally managed, dynamic meeting ground for artists, art connoisseurs and collectors. We display artworks from across styles, medium, techniques and forms. We have collaborated with noted artists, sculptors and photographers from India and abroad and believe in giving upcoming artists a platform to showcase their talent.

Sublime's definition of Art includes practices such as Theatre, Dance, Music and Spoken Poetry and we work with local artists to bring their art to the public.

Since 2011, Sublime has conducted Art Bengaluru, the city's largest Art Festival which has witnessed nine successful editions and featured a diverse as well as international selection of art and artists.

About the Artist – Badrunissa Irfan

Badrunissa Irfan is an artist whose third exhibition at the galleria showcases paintings that reflect her deep faith and spiritual connection to the Almighty. Her works are characterized by their bright and vibrant colours, bold strokes, and a celebration of nature as a manifestation of the divine. She sees herself as a conduit for God's creation and aims to express this through her art. While her paintings may appear ordinary at first glance, they possess profound layers of meaning upon closer inspection. Badrunissa draws inspiration from the

Quran, particularly emphasizing the idea that nature reflects the existence of God. Her art communicates directly to the soul, evoking a powerful and instinctive response in the viewer. She often paints in her garden, finding inspiration in the beauty of creation. Horses, as well as heroic themes of war and the ocean, frequently appear in her artwork. Badrunissa acknowledges her debt to her mother for her artistic talent and perfectionist attitude. Her attention to detail is remarkable, although she recognizes that nothing can compare to the true magnificence of God's work. Overall, Badrunissa art expresses humility and a profound understanding of the divine presence in all aspects of creation.
