About the Artist – Benny Dsa

Benny Dsa is a visual artist with a contemporary style. She moved from being a Chartered Accountant to a professional artist in 2017 and created the brand “BJollyCreations” with the purpose of bringing happiness into peoples lives through her work.

With a penchant for mandala art, she has diversified her skills into various mediums creating artworks based on self-experiences, intricate geometric patterns, cultures, traditions , nature, humor situations and womanhood. Besides working on paper and canvas, she also likes to workwith coconut shells and resin.

She has worked on various bespoke commission artworks from local and global customers. Her works have been exhibited at various prestigious galleries like Karnataka Chitrakala Parishad, IWC and ShadesCreative Gallery.

As a yoga enthusiast, she also wants her works to spread the importance of exercise, mental health and a balanced life.

The works presented here are largely from my different experiences during the pandemic.

The pandemic gave me the chance to spend a lot of time in my hometown Mangaluru with my family and pets, and meet many people and understand their journeys and aspirations. I got to spend time observing nature, the contrasts in day-2-day experiences and the humor situations that they can create. I also spent time in self-discovery, learning new skills and building new dreams and creating a whole new positive me.

These works are a reflection of these myriad moments in the last 4 years.

Hope you like them and they bring back some happy memories for you.

Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. “The idea was to bring different kinds of world tea to an Indian consumer's tea cup”, says Uzma. “Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy.”
