Artist's Note: Serenity

In “Serenity”, I examine the most enigmatic and paradoxical object known as water and further emphasize its silent importance in our daily activities. I think of water as both turbulent and still, restless yet calm, shapeless but permanent in a way, and this is how I want to convey my experiences with water, through art.

It is important for me to bring out the different characteristics of water be it in the calm of the sea or the roar of waves, crashing on the shore, a serene lake or a flowing waterfall. Each one functions as an opportunity to relax from the incessant hustle and bustle of busy life and bring out the calmness inside us that is usually buried underneath our anxiousness, reminding one of the stillness that is found within the endless movements of the water.

“Serenity” is not only a series of artworks, its the way of travel through the moods of ‘the endless beauty of water’. I wish everyone manages to see and feel themselves in these abstract representations of the water and find their warm retreat and their inner peace.

Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. “The idea was to bring different kinds of world tea to an Indian consumer's tea cup”, says Uzma. “Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy.”
