## About the Artist – Malika Vijay

A double post graduate, self taught freelance artist and painter. Painting was a passion and hobby since childhood but I decided to make it my profession in mid forties. My work is majorly inspired by my keen interest in spirituality, nature and meditative energies. For the last five years I have experience creating stylized acrylic paintings using mix media. Have worked for many architects and done customization for home

decor. As I continue to nurture my artistic spirit, I encourage others to do the same. Whether we start painting in our teens or discover our passion in later years, our art is a creation and meditation for me. By focusing on self-expression, personal growth, and the sheer joy of creating, we open ourselves to a world of possibilities. So, let your artistic journey unfold, brushstroke by brushstroke, and let colors paint canvas of life.

# Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

## Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. “The idea was to bring different kinds of world tea to an Indian consumer's tea cup”, says Uzma. “Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy.”
