# About the Artist – Amya Chhabra

Through art, I meet the version of myself that feels most real — it runs in my veins, steady and instinctive, like the most natural extension of who I am. I create from a space that's intuitive, letting each piece emerge organically.

I am an entirely self-taught artist with an enduring and lifelong passion for creating art that commenced in childhood. In art, I find what words can't hold — the raw pulse of thought and emotion. Also as a psychologist, there is an emotional rhythm behind each piece,

reflecting my ongoing exploration of life and human experience.

## My Style

There is a deep reverence in my work — for culture, for memory, and for place. I see art as a way of archiving emotion, of tracing time— where memory and meaning blur into one.

Recurring elements in my art include interplay of contrasts, emotion-led abstraction, usage of motion and flow, textural resonance and storytelling through atmosphere.

## Artist's Motto

Guided by instinct, shaped by story, and steeped in soul.

# Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

## Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. "The idea was to bring different kinds of world tea to an Indian consumer's tea cup", says Uzma. "Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy."
