About the Artist – Alefiyah Raja

Artist BioIn Alefiyah Raja's work, painting becomes less about depiction and more about resonance. Each canvas is not a representation of the external world but a reflection of the inner one—a language of emotion, memory, and subtle transformation.

A multidisciplinary artist, Raja moves with ease between acrylics, oils, mixed media, and palette knife techniques. Her practice is rooted in layering, where surfaces are built up and broken down until they seem to breathe with depth and feeling. The textures she creates hold an intimacy, as though time itself has been absorbed into the work—fragments of moments, thoughts, and quiet energies held in suspension.

Her canvases are sites of contrast. Fluid gestures are pressed against structured forms, bold strokes of color soften into quiet transparencies, and the interplay of strength and vulnerability reveals itself across the surface. These dualities are not resolved but allowed to coexist, creating a rhythm that mirrors the complexities of lived experience.

What emerges in her art is not just an image but a presence. Each work opens a reflective space where time slows, silence gathers, and stillness begins to take form. For the viewer, the experience extends beyond the act of looking—it becomes a moment of pause, an invitation to listen inwardly, and a reminder of the beauty found in balance, tension, and release.

The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. "The idea was to bring different kinds of world tea to an Indian consumer's tea cup", says Uzma. "Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy."
