From Nature to Lens to Canvas: The Artistic Journey of S. Prashanth

For S. Prashanth, a civil engineer and certified naturalist, the passion for wildlife has manifested in two distinct art forms. His upcoming solo exhibition, "A Walk Through the Wild"- Captured in Time, showcases a private, 14 years collection of striking wildlife photography, a journey that began with a humble point-and-shoot and evolved to a DSLR in 2011. The exhibition focuses on his cherished subjects: the power of big cats and the grace of birds.

This photographic display is uniquely complemented by a glimpse into his next artistic chapter—a new series of oil paintings dedicated to exotic birds. Where the camera freezes a moment with precision, the canvas allows him to express the emotional weight and color of his subjects. This dual medium approach reveals a deeper story of the artist's dedication. With thanks to Ms. Uzma, whose guidance was crucial, Sublime invites the public to witness his remarkable passion, which bridges the gap between meticulous engineering, on-the-spot observation, and thoughtful artistic expression.

S. Prashanth has always been driven by a deep fascination with the natural world, a dedication that was formally recognized with his naturalist certification in 2017. For the past two decades, this passion has fuelled his wildlife photography, with a focus on birds and big cats, a hidden collection of which is now on display for the first time in his solo exhibition, "A Walk Through the Wild"- Captured in Time.

But the impulse to capture and communicate the wild's beauty doesn't end with the click of a camera. But also translates his photographic observations into oil paintings, offering a fresh, interpretive perspective. This exhibition provides a prelude to a future showing, with a series of his oil paintings of exotic birds showcasing a more expressive side of his artistry. As he takes his work from the private to the public realm, he shares his gratitude with Ms. Uzma for her supportive influence in this journey.

Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. "The idea was to bring different kinds of world tea to an Indian consumer's tea cup", says Uzma. "Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy."
