# About the Artist – Pragya Jain

Pragya Jain is a native of New Delhi where she completed the first twelve years of her schooling at the Modern School, New Delhi. In 2001, India's former president Dr Abdul Kalam awarded her with a Distinction in Arts following the AISSC Exams. Pragya gained admission to the prestigious Delhi College of Art, New Delhi after ranking seventh in the entrance examination process.

Soon after graduating with a BFA in 2005, she had her first public showing in New Delhi.

She spent the next six years building her body of work in the United States which was exhibited in New York City, Amherst, Boston, Dhaka, St. Petersburg and several towns that celebrate art. For the last 12 years Pragya has called Bangalore her home. Her first solo exhibition in the city at Sublime Galleria in 2009 was a complete sell out and helped her gain patronage from prominent collectors in the United States and India. During Covid years, she worked collectively on a sustainable upcycled Mural which stands 10 feet tall & wide at the Indira Gandhi International Airport, New Delhi. In 2018 she co-founded eco-conscious brand Artychoke with the intention of creating homeware and accessories adorned with her designs. She does multiple shows to support various charities, helping raise funds through her art for the underprivileged through the platform of FICCI, schools that support Autism & other organisations. Her biography has been featured in a prestigious book – Sunflowers - one of 11 artists, authored by Sujata Parashar. Pragya's debut in UAE was at World Art Dubai 2025 and she is working on her onward journey to show her art in India and internationally.

# About the Show – Tranquil Balance

A quiet yearning draws me into nature—into its silences, its murmurs, its rhythms that stir something within me. Nature narrates a story of innocence, enveloping us in its unspoken generosity. Is it not the most selfless force, endlessly offering the very elements that sustain our existence?

This collection is an ode of gratitude to what keeps us alive and balanced: air, water, nourishment, love, and the tender miracle of a new leaf unfolding.

I perceive the world through facets and fragments—through lines, geometry, and shifting forms. I see leading ladies and main men. I see heritage and hear folk songs carried by culture. I see my tribe, and my tribe sees me.

## *THE PROTAGONIST SERIES*

### *HAND EMBROIDERY & MIXED MEDIA: THE LEADING LADIES & MAIN MEN*

*Humans have claimed much of this planet, often forgetting that countless gentle beings share this home with us. These animals have inhabited my artworks since the very beginning of my journey as an artist. I yearn for a world where they may live unencumbered—where harmony, freedom, and dignity are their birthright. In this series, they are the true protagonists: sovereign leaders of their own realms, every detail shaped around their resilience and quiet dominance, while nature itself bends to honour their existence.*

### *HAND EMBROIDERY & MIXED MEDIA: SACRED COWS & BULLS OF INDIA*

*Nandi, the sacred bull and vehicle of Shiva, embodies devotion, fortitude, and patience. This series begins with an original painting printed on linen and elevated through meticulous hand embroidery—textures, contours, and fine thread work that echo my Indian upbringing. Each stitch celebrates the depth of our cultural heritage, honouring the sacred cows and bulls of India. The auspicious lotus appears gently, its calming palette rendered in delicately shaded threads, resonating with Nandi's steadfast grace and patience.*

The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

## Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. "The idea was to bring different kinds of world tea to an Indian consumer's tea cup", says Uzma. "Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy."
