# About the Show – Illumination

Art, for me, is a journey through nature, emotion, movement, and inner stillness. This exhibition brings together different collections, each reflecting a unique artistic expression and story.

“Sovereign Wild” captures the power and grace of untamed wildlife.

“Untamed Realms” explores the connection between nature and imagination.

“Ethereal Beasts” reflects the spirit and emotional presence of animals through expressive forms.

“Majesty in Motion” celebrates rhythm, strength, and movement in life and nature.

“Whispers of Serenity” expresses peace, reflections, water, and the silent beauty of everyday moments.

Through these works, I aim to create meaningful visual experiences that allow viewers to pause, reflect, and emotionally connect with the world around them.

Thank you for being a part of my artistic journey.

# Sublime House Of Tea

Sublime House of Tea has turned tea-drinking into a coveted experience for its steadily growing clientele by presenting perennial favourites like Darjeeling tea, Assam tea and Earl Grey tea that cater to traditionalists, as well as delightful flavours like Jasmine Mandarin, Oolong White Grapes and Rooibos Vanilla Spice that have garnered the loyalty of experimentalists. The brand has established itself as one of the leading curators of distinctive tea variants and creative infusions in India, and has also found its way to cups and hearts beyond. Sublime House of Tea is a part of the Prestige Group, a name that is synonymous with luxury and has been instrumental in redefining the concept of lifestyle in India.

## Why Sublime?

Spurred by her desire to showcase the finest in lifestyle, visionary Ms. Uzma Irfan, Executive Director at the Prestige Group, and Founder of Sublime, UB City, Bangalore, masterminded Sublime House of Tea in 2013. Uzma has a degree in Business Administration from the American Intercontinental University, London, and has been at the forefront of several Prestige Group enterprises that have earned global acclaim and respect. Her keenness in promoting traditionally sound yet innovative ideas is apparent from the Sublime House of Tea. "The idea was to bring different kinds of world tea to an Indian consumer's tea cup", says Uzma. "Most Indian kitchens are now open to experimenting beyond the traditional masala chai! Our teas are curated from the finest produce in the country & crafted into unique blends that are both flavourful & healthy."
